Dear Parent

Further to your son/daughter showing an interest in learning an instrument, I would like to offer him lessons through the Math Music Academy. Please see below for current prices.

If after reading the conditions on the reverse of this letter you would like to proceed with your son's application for lessons please complete the attached form and return to Mr Hyde or Mrs Liddell at the Music Department Office. Upon receipt of the form your son/daughter will be contacted to inform them of the date and time of their first lesson. Please note this may on occasions take a week to ten days to arrange, as the relevant teacher needs to be consulted.

If you have any queries at all please do not hesitate to contact Mrs Liddell or myself at the school.
May I take this opportunity of thanking you for your interest in this valuable part of your child's education.

Yours sincerely

Phill Hyde

1. Students receiving instrumental lessons at Sir Joseph Williamson's Mathematical School are expected to attend ensembles provided by the music department when recommended by their instrumental teacher.
2. Tuition will be given in courses of ten weekly lessons. A course will often begin differently to the school calendar term since some terms are sufficiently long to accommodate more than ten lessons.
3. The first term's fees are payable upon invoice directly to the music tutor and no later than the second lesson in each course of ten lessons.
4. Please note you will NOT be required to complete an application form on a termly or annual basis. Lessons will continue until you cancel.
5. Notice to discontinue lessons must be given **IN WRITING** to the music tutor at least **FIVE** lessons before the termination date and failure on the part of the student or the signatory to this form will render the same liable for a **FURTHER** five lessons (i.e. 10 lessons in total). Teachers may also give notice to students under the same conditions.
6. Lessons missed through the student's non-attendance will be charged for, unless the circumstances warrant a special concession at the discretion of the teacher. A lesson may be cancelled by the teacher but in such circumstances the teacher shall be responsible for ensuring that the student receives the full 10 lessons for the session, refund the appropriate fee or arrange for another suitably qualified and competent teacher replacement (subject to agreement by the school)
7. Notice of increase in fees will be given in writing prior to the beginning of the term in which the increase will take effect.
